QUESTIONS TO ASK BEFORE RESERVING YOUR EVENT VENUE

Apart from the obvious availability, capacity, menu and cost questions, there are a number of other crucial questions that shouldn't be overlooked when choosing a venue.

One key thing to remember is that "venue speak" does not always mean something automatically comes with rental package. It may mean that it can be **acquired** for you usually with an additional rental fee.

- Will ours be the only event at the venue on that day?
- What is the venue capacity?
- What are our options for rehearsal?
- Do you have staff on property during our rental time? Where are they located if we need them?
- Who is my contact person?
- What are your hours?
- When will the venue room/s be available for decoration, etc., for example the day before or morning of the event?
- What are the restrictions for items on the walls and decorating?
- What weather contingency plans do you offer?
- Do you provide dedicated dressing rooms for the groom and groomsmen?
- Do you provide dedicated dressing rooms for the bride and bridesmaids?
- Where is the normal ceremony area?
- What paperwork do you require and when is it all due?
- When I schedule my event with you am, I permitted to come back and see the venue for planning?
- Do you have open houses or showing periods for us to come see the venue?
- Do you require a banquet permit?
- Do you require us to get insurance and list you as additional insured? What are the dollar amounts you need for the insurance?
- How many hours do we get for the rental time?
- What is your staff's attitude if proceedings start running late?
- What are the penalties if we run over time?
- When can rental ware be dropped off and when does it have to be picked up?
- Do you have a preferred vendor list or a list of vendors that have been here before?
- Do we have to use only those vendors, or can we use ones we choose?
- Do you have a recommended rental company?

- Are linens included?
- Are tables & chairs included in the rental fee?
- What size are the tables?
- Do you set them up or do we? Tear down?
- What part is our cleanup responsibilities and what comes with the rental?
